

NMC Christmas

Clothing Offer

The NMC are pleased to present the ‘NMC Collection’ just in time for the big day!

Not be beaten by high street outlets, we offer premium clothing items delivered in time to make any NMC member happy at any time (not just Christmas but it is a great excuse)

I'm making no apologies for jumping on the commercial bandwagon as we have worked hard to resurrect the NMC clothing shop. We now offer a varied range, even unlimited range, of clothing embroidered with the NMC logo. We have here a few favourites. If you wish to have something bespoke or even an item supplied by yourself embroidered, please contact us as we can sort it for you!

We have two embroidered logos, a traditional gold and a smart new silver and black.

Please select which one is preferred when ordering or leave it to the Abi who processes the orders. All the usual sizes apply – please check if you are unsure.

Protect your eyes and look great!

NMC Caps are available in stock in either blue or green. Other colours available to order – just ask.

These caps are a great fit and resistant to being blown off your head!

Always popular - Hoodies

Great quality Fruit of the Loom hoodies, these come either with or without a zip in green, black or blue. Again, please ask if another colour is required.

Henbury H101 or H102 (ladies) Polo Shirts. A must have for the smart angler, and available without creases if you iron them are Henbury polo shirts. Usually in blue or green, other colours are available. Available in Black, Bottle, Classic Red,

Heather Grey, Navy, Oxford Navy, Royal, White. Sizes available are XS-5XL.

A new and very smart yet practical item is the Craghoppers Nosidefence shirt. Take a fresh approach to mullet wear this season with new streamlined Kiwi Boulder.

The durable polyester-cotton fabric features insect bite-proof construction and offers protection from UV rays. But its sleek tailored design neatly incorporates low-profile zipped chest pockets for a more contemporary look and feel. Stops you getting sunburnt (if you wear it), dries quickly if you have fallen in or got rained on again because the weather forecast was wrong. Quite a bit of kit for the discerning mullet angler as shown in the photo.

We have worked hard to devise an alternative to the old shop that we reluctantly had to change. NMC members come in all shapes and sizes therefore it is no longer possible to keep most items in stock, the outlay and logistics are prohibitive. However, this does mean we can offer an almost unlimited range of items to suit your exact requirements available to order, please bear in mind it takes a bit of time to place the order, get the items embroidered before they are dispatched. So really, we do have a great reason to send this advert now! We can also offer ladies and children's clothing, again just ask. Because one size fits most we do keep a small quantity of caps available in green and blue in stock. Whatever you order comes with a trade discount, is embroidered with a small profit of £2 added for the club. Unfortunately, we pay VAT, the only other charge is carriage. Postage is Royal Mail 1st Class at cost, there are no other packaging or handling charges meaning great value! For overseas please contact us for a cost – you will only be charged what it costs the club.

Hopefully we have given you a few ideas for Christmas, just print off, leave in a prominent position around your house and let Father Christmas do the rest.

Alternatively, take to your nearest shopping centre during early December, present to Father Christmas in person if you are allowed to with social distancing etc and I'm sure you will find what you want at the end of the bed come the 25th. Father Christmas will still charge standard P&P. The best way to order is to complete the simple form supplied with this advert and email it in! Prices below.

Stay safe and enjoy your festive period
