

National Mullet Club

Join us and fish for the hardest fighting species in our waters!

Founded in 1975, the Club continues to promote the sporting capture of our three mullet species, and is underpinned by a strong conservation ethos.

Just some of the benefits of membership:

- Two quality "*Grey Ghost*" magazines per year
- Four newsletters
- Exchange information and learn from other Club members in the UK & Ireland
- Meet up at fish-ins organised by members with specific location knowledge
- Access the huge online archive of over 1,000 articles, available to members via the website

Find out more and complete an application form at
